# GENERAL INFORMATION

**TIME:** Saturday, March 22, 1969. Show at 8:30 A.M., Sale at 11:30 A.M.

**LOCATION:** The sale will be held in the sales pavilion at Hawkeye Downs, Cedar Rapids, Iowa on U.S. 30, and U.S. 218. On paved roads between Cedar Rapids, and the airport.

**LUNCH:** Will be served on the grounds.

1. The auctioneer will settle any disputes as to bids.
2. Terms: Cash, unless arranged before the sale between seller and buyer and clerk so notified.
3. Guarantee: All cattle are sold subject to a sixty day retest for Tuberculosis if kept isolated, unless going into a Federal Accredited Herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for Tuberculosis unless they come from an accredited herd. The cattle have been tested for Bang's within 30 days or are calfhood vaccinated. Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller and if after a test in the seller's herd he still fails to breed he will be replaced or purchase money be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of sale are guaranteed to be breeders. Heifers should not be served by heavy or old bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls, this means within 90 days after they become 14 months of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at the buyer's cost of transportation. The above guarantee and terms shall constitute a contract between the consignor and buyer of each lot.
4. The Sale Manager and Clerks act only as agents for the consignors to the sale, making collections for the account of each consignor and they do not assume any responsibility for the above breeding guarantee.
5. We will follow the practice of giving the consignor the opportunity to state a "reserve bid" or have the auctioneer announce "No Sale" on any animals. In case of a "no sale", the seller pays the regular pro rata sale expense, but there will not be any manager's fee. However, if any animals are "By-bid", there will be due the manager's fee. It is our hope this would discourage this practice.
6. A certificate of Registry and signed transfer will be furnished for each animal sold and an application for registry will be furnished for each unborn calf.
7. We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.
8. Mail Bids: Those wishing to buy at this sale and who cannot attend may send their bids to the auctioneer, sale manager, or special representatives, or call them night before the sale.
9. Auctioneer: Merrill Anderson, Broadlands, Illinois.
10. Special Representatives: Gene McDonald, of the Shorthorn World; Wade Hauser, Jr., Wallaces Farmer; Ted Aegeter, American Shorthorn Association; Sherman Berg, American Shorthorn Association; Wayne Farnum, Victor, Iowa; and Bob Sherrard, St. Ansgar, Iowa.

12. Sale Manager: Allan A. Johnson, R. 3, LeMars, Iowa 51031. Phone: 712-533-2453.
13. The sale manager or others may be reached by phone at the Holiday Inn, Cedar Rapids, Phone: 319-365-9441, the night before the sale.
14. Livestock Insurance may be obtained in the American Livestock Insurance Company. Talk to the Sale Manager.
15. Announcements from the Auction Box will take precedence over the printed matter in this catalog. If errors appear in the catalog, they will be corrected and announced from the Auction Box.

ROCKAWAY MARINE 5TH - Another good son of Marine and out of an outstanding cow, who is a daughter of an old N-Bar cow bought from the Anderson herd. We have full brother here on the farm that is one of the best calves of Marine. This is a big bull for his age, but look at the thickness and easy fleshing.

WILLOW CREST CAPTIVATOR - By Aberfeldy Hustler, by Aberfeldy Captivator, AAA. The 1967 and 1968 International Champion and Res. Champion bulls are half brothers to Aberfeldy Hustler. Captivator, is one of the first by Hustler. He may be a little young to be selling, but for someone needing a bull to breed some heifers, he should do the job. His dam has produced the third top selling bull in the 1967 spring Hawkeye Downs sale, and our Jr. Yearling heifer from the show string that sold in last falls sale.

P V EDELLYN AUGUSTA 3RD - I bought this heifer at the Ralph Stirm sale. She is a very good foundation heifer from the Aususta family. Note she is horned, but has been dehorned. Her grandam was purchased at the Edellyn dispersion sale and has produced some very good foundation stock. Her sire, Sutherland Chevalier was purchased at the top of the 1964 Southerland Farms Spring polled shorthorn sale. He was reserve All-American and second in the class at the 1963 International Livestock Exposition. His bloodlines are the best. This bull has died, but is the sire of four bulls and 15 females, of which this is one. I bred this heifer in December to my roan SV Caesar 70th which will be sold here today.

#### CLIPPER KING OF BAPTON

One of the world's largest stock bulls of any breed, he weighed 2670 lbs. in working condition. He is one of the few old Shorthorn stock bulls ever imported from Scotland. He sired such great cattle as Roan Lad of Northwood, and K C Clipper Duke, who sold for \$14,000 for 1/2 interest. Lot 85 carries the service of one of his good sons, Royalty C. Facination X, Jr. herd sire for Lloyd Burr & Son.
